

Externally marked examinations

Certificates in Welding and Fabrication Studies

Please ensure that this request form reaches ABC Nottingham office **at least 28 working days** before the first date of the external examination period.

Youth Work Examinations

Please ensure that this request form reaches ABC Taunton office **at least 28 working days** before the first date of the external examination date.

Internally marked examinations

Certificates in Welding and Fabrication Studies

Please ensure that this request form reaches ABC Nottingham office **at least 28 working days** before the first date of the start of the external examination period. For example, all exam requests for the internal exam session of 12 March – 13 April 2007 must reach ABC Nottingham office by no later than 7 February 2007 (which is 28 working days before the 19 March, being the first date of the external exam period).

Moderation Periods

Awards in Business Practices

Centres that are delivering these awards as **distance learning packages** are required to inform ABC which candidates are submitting work for external moderation and need to state the period in which they intend to submit the work. This is to ensure ABC can give timely notice to its external moderators.
