This privacy statement sets out how ABC Awards (ABC) collects, stores, uses and protects any information that you give ABC when you use this website.

ABC collects information either via cookies or by completing forms.

ABC is committed to ensuring that your privacy is protected. Should we ask you to provide certain information, by which you can be identified when using this website you can be assured that it will only be used in accordance with this Privacy Statement.

ABC may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are aware of any changes.

### **How we use cookies**

A cookie is a small file which is placed on your computer / device when you access a website. Cookies allow a website to recognise your computer / device. Some cookies expire at the end of your browsing session; these are known as Session Cookies. Others, known as Persistent Cookies, reside on your computer device for a longer period of time. This website uses both types of cookie. However, no personal information such as your email address is stored on this website.

We use traffic log cookies to identify which pages are being used. This helps us analyse data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and then the data is removed from the system.

Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. This, however, may prevent you from taking full advantage of the website.

A list of all cookies used on this website can be found below.

### **Links to other websites**

Our website may contain links to other websites of interest. However, once you have used these links to leave our site, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.
